Thank you for your continued support!!

Because of you, we were able to continue reading remotely through lock down, through no visitors in school, remotely and through privately in Bentley's Place. We will hold summer camp 2021, conduct another community read without a reader leaving a vehicle and plan on returning to school for the 2021-22 school year.

Because if you, B's mission is kept alive, his memory will go on, kids will continue to gain confidence through *"the power of the paw"*.
